Your club, society, hall or community group can now have a professionally hosted website for **less than £1 per week**.

Using an on-line system you can update your own website from your own PC at any time that suits you.

You can create as many pages as you like with text and images from your digital camera or scanned pictures.

Enquiry forms and picture galleries can be included and members-only pages can be set up if required.

Full training will be provided at no extra charge to make sure that your website is up and running fast.

BENEFITS :

- Promote your club or organization online
- Provide up to date information
- Publicise an events diary
- Downloadable documents and forms
- Online membership entry forms
- Members-only pages if required
- Low cost
- Easy entry of text and pictures
- Start with a few pages
- Grow your website at your own pace

YOUR QUESTIONS ANSWERED

Q: Do I need to be a computer whiz?

A: Not at all. You will be given a half days training session after which you will be able to update your site as and when you like.

Q: What happens if things go wrong or I forget or don't know what to do?

A: No problem. Just email our webmaster and you will be contacted by email or 'phone

Q: Are there any size limits?

A: No. You can start with a few pages and add to the website over time, adding as many pictures and documents as you want.

Q: What will be my website address?

A: www.shetland-communities.org/your-name where you choose what 'your-name' is.

To apply for your website please visit
